YORK JUNIOR COLLEGE
COUNTRY CLUB ROAD
YORK, PENNSYLVANIA

THE NEW HORIZON

YORK JUNIOR COLLEGE is on the move—forward! Additional campus buildings are being transferred from drawing boards and blueprints to reality. The academic programs are expanding and deepening. Keeping pace with this development, the memorable events of this first year on the Country Club Road campus are recorded in the 1962 yearbook, under a new name—The *Horizon*.

WIDENING OUR HORIZONS THROUGH KNOWLEDGE

Throughout the annals of time mankind has sought a guiding light which will lead him to a surging fountain of knowledge. This eternal quest of man can be traced throughout the pages of history. At times this gleam of knowledge has been shrouded in a void of ignorance. Education, as we know it today, was many centuries in the making, rising out of this dark age of suppressed individual expression.

In today's hectic society the only way to widen our horizons is through knowledge—knowledge which will correlate the concepts of humanity, the principals of education, and the vital importance of individual expression of thoughts and ideas. The ability to reason and to think is a virtue which is peculiar to mankind. With this unique capability, we must strive for and bring every available mental faculty to bear upon the gathering of knowledge. It is through this medium that we gain wisdom and can prepare ourselves for our rightful place in the complex society in which we live.

Left to right: Mrs. Jesse Chock, Harlow Hardinge, John Connelly, Walter S. Ehrenfeld, John W. Hennessey, Benjamin M. Root, Melvin H. Campbell, John C. Albohm, John Waltersdorf, Mrs. George E. Schenck, Mrs. Joan Culp. Not present for picture: Horace E. Smith, Esq., John L. Toomey, Frederick G. Dempwolf, Herman A. Gailey, M.D., Harvey A. Gross, Esq., Bruce A. Grove, M.D., Ben Lavetan, Raymond S. Noonan, John T. Robertson, Charles Seligman, Joseph R. Wilson.

In Appreciation of Trustees

Students and Faculty are very grateful to this group of York County citizens who are giving their time, effort, thought, and money to the development of this junior college.

We are especially grateful to Mr. Melvin Campbell. He served seventeen years as a member of the Board of Trustees; ten years as President of the Board; and he is continuing to serve as chairman of the Executive Committee.

This span of time reflects Mr. Campbell's dedicated purpose and vision for this institution in York.

Melvin H. Campbell

May We Present the President of Trustees

BENJAMIN M. ROOT

As a member of the Board of Trustees since 1956, Mr. Root served as the chairman of the Special Gifts Division of the York Junior College Fund Drive for the present campus. This past October he was elected President of the Board.

A native Yorker, Mr. Root was graduated from William Penn High School and from Lehigh University with B.S. in Industrial Engineering.

Among Mr. Root's many civic activities, he is Vice-president of the Manufacturer's Association,

past President of the Chamber of Commerce and Rotary Club. He has served as campaign chairman of the United Fund.

Presently, he is a member of the Board of Directors of the York YMCA and the Methodist church.

Coming into office with Mr. Root are four new Board members: John C. Schmidt, Marvin G. Sedam, Beauchamp E. Smith, Charles S. Wolf.

PRESIDENT OF YORK JUNIOR COLLEGE

DR. RAY A. MILLER
B.S., M.A., Ph.D. New York University

Reflecting on Progress and Promise

*"Books are the treasured wealth
of the world, the fit inheritance
of generations and nations . . ."*

THOREAU.

The Library, soon to be constructed on the Junior College Campus, initially will have stack space for 30,000 volumes and 200 carrels for research and study purposes. In addition, there will be separate rooms for reference works, special collections, periodicals, and a gallery where art masterpieces can be exhibited. The floor plans allow for future expansion to 120,000 volumes and stations for 400 readers without changing the basic design of the structure.

The academic center of a college is its library, the laboratory for the social sciences and the humanities, and a workshop for all who are seeking new knowledge. Everyday problems of business, government, and of society, have compelled more people to acquire more information than was necessary to previous generations. The growth of new academic fields and the increase of our student body has resulted in a similar awareness of the need and desirability for a larger and more adequate library and library services. In all fields, collections have been growing tremendously because of the overwhelming mass of material being published.

It is hoped that the new library will become a basic tool in our instructional program and that it will bring together the student, the professor, and the book, for a closer working relationship.

Architect's drawing of new library

Dr. and Mrs. Rollins at farewell party

January 23, 1962, Dr. Charles Rollins resigned as Dean of Instruction at York Junior College to accept the Presidency of Edison Junior College, Fort Myers, Florida.

In his new position, beginning March 1, Dr. Rollins will supervise the planning and construction of a new building on a hundred acre campus. He will select a faculty and staff and set up a Liberal Arts curriculum for three hundred freshmen from five surrounding counties.

Since 1953, Dr. Rollins has been active in many civic, educational and community affairs in York. He is currently president of the Pennsylvania Association of Junior Colleges, immediate past presi-

dent of the York Lions Club, a member of the Junior Achievement Board of Directors, a member of the University Club, and the new Committee of One Hundred.

We shall miss our "Good Dean," his wife and two sons; we shall miss his wit and laconic announcements at convocations. We shall miss that roaring sports car. But, many students will always remember his sincere, concern for helping them with personal and academic problems. We wish him much success in his new position.

Succeeding Dr. Rollins as Dean is Mr. Fred Smith, currently head of the Business Administration Department.

The Hour of Decision

Banks Folks, or better known to the students as "Pete-the-cook," is the most popular man on campus at 12 o'clock noon. He plans, supervises, and sells us our noon-time snack.

Each day Pete plans the "specials" that will give the student a varied menu.

The students of YJC thank you, Pete, for all your culinary efforts and your friendliness.

May I Help You?

Our "Lady in White," Mrs. Wilson, is a friend to each and every one of us students and Faculty. She is the person who is instrumental in securing rooms and apartments for the out-of-town students.

Whenever there is an injury or a cold, a headache or a sore throat, Mrs. Wilson is always available to lend a helping hand, or to give a little green pill.

Isn't paper cheaper downtown?

Under the direction of Mrs. Genevieve Baker, the Bookstore provides a valuable service to the students of the campus.

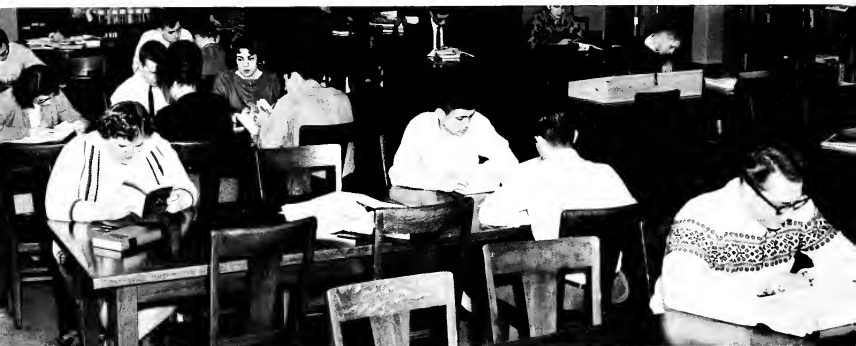

Along with the textbooks needed by the students, the Bookstore has drawing paper, notebooks, dictionaries, and engineering supplies. The student Mail Service and the Lost-and-Found service are also maintained by the bookstore.

Where's Lew?

Mr. Achaj or "Lew," our superintendent of buildings and grounds, is a smiling man around campus. "Lew," who hails from Mount Wolf, performs his helpful duties, ranging from tightening a bolt to moving a locker. His main duty is to supervise a crew of six men. His helpers are: Lloyd Shumaker, David Sweatman, John Miller, Elwood Beach, Allen Keener, George Still.

By books

Head Librarian, Mrs. Atwood, reports: that books at a rate of nearly 70 per week were added during the first semester; that her staff, led by Mrs. Hollinghead, is preparing an extensive magazine reference section; that monthly book reviews by Faculty are held in the library—all of which are the results of forward-looking planning in the library by the librarian and the Faculty Committee.

The two-year secretarial course prepares young women to become either executive or medical secretaries. After completion of the course, students are eligible to do general secretarial or stenographic work in various types of business. A new course, secretarial orientation, is offered this year to secretarial majors. This course includes a review of social manners and practices necessary for the secretary in the business world.

By practicing skills

ACADEMICALLY AND AESTHETICALLY

By field trip to international art exhibit

An honors seminar dealing with the subject, "Tensions in Every Day Life," convened five times during the second semester. The seminar was open to selected students who had demonstrated an academic proficiency. The minimum quality point average for invitation to the seminar was 3.75. Each student was assigned to a particular faculty mem-

ber who was familiar with the student's subject area. The faculty member had the responsibility of suggesting to the student, sources of information, and the techniques of presentation, of a research paper. The students pursued research in various aspects of the general topic and made panel presentations which were followed by a general discussion.

By discussion

By experimenting in labs

Yinger, Reigart, Eveler, Noel, Miller, Lectrone

Science is taught by lecture demonstrations of the basic laws, theories, and computations. Further association of these laws is made possible by experimentation in the new well-equipped laboratories for biology, physics, and chemistry. In this way, each student is able to verify all classroom discussion by his own work in the laboratory.

Sechrist, Fox

Lehr, Mayer

By appreciating local art exhibit

In December the students and Faculty of York Junior College and the residents of the area viewed an impressive collection of contemporary paintings and drawings displayed by Albert Hydeman of York.

The collection, which has been accumulated by Mr. Hydeman over fifteen years, represented a diversity of contemporary art styles, methods, and subjects. Viewed by large crowds, the exhibition gave many people an enjoyable, cultural enrichment.

This showing was the first to be sponsored by York Junior College. Because it was so well attended, the enthusiasm and interest indicated that other exhibitions would be presented by the College.

In the fall of 1960, 333 freshmen entered the Duke Street York Junior College building.

In March 1961, the class for the first time set foot on the New Campus—an eagerly anticipated event. Following that experience the class has enjoyed the new gymnasium this year, and class members have scanned the blueprints for the new library and the first dormitory with interest. At the beginning of the second semester, 155 members are eligible to graduate in June.

In this two-year period, one member, Ronald Barefoot was fatally stricken; some students dropped out because of illness or academic reasons; and some transferred to other educational institutions.

ENLARGING OUR HORIZONS THROUGH INTERESTS

"Books! Tis a dull and endless strife" so wrote Wordsworth in 1798. Today, however college students study books, many books, but alleviate the monotony by engaging in a whirl of social and physical activities.

For the strong of body, college men and women spend hours practicing athletic skills in the gymnasium, at the bowling alley, or on the golf green.

For the aesthetically minded students, they may be found pursuing their interests with paint and clay, singing together in the Glee Club, writing an article for the publications, or interpreting the lines in a dramatic production.

Between classes—almost all students can be found in the Student Center for a "coffee break," arguing, discussing, or just "small" talking to close friends and new acquaintances.

Yes, the social side of campus life is important to us. It keeps our books from becoming "a dull and endless strife."

STUDENT SENATE SUPERVISES "THE WHIRL"

First Row: Bond, Freed, Flaye, Christ, Markowitz, Woltman. Second Row: Weigel, Smith, Grove, Sweitzer, Herr, Fortney. Third Row: Yinger, Downing, Hartman, Shoemaker, Kinneman.

The Student Senate, composed of student elected officers and representatives of all campus organizations, functions for the control of all student activities and college events.

The President, this year, designated each Senate representative to serve on a committee to supervise student activities. The Social Committee planned the social calendar and aided in the planning of functions. The Awards Committee recorded points according to the student award point system. Convocation group kept records of student attendance.

The Service Committee operated in all college-community related projects. Funds were allocated by the Finance Committee.

The Senate is an important part of the college campus life. It is the starting point for students with ideas who have a desire to keep York Junior College out in front in student government. With cooperation from the student body, we are able to govern ourselves by accepting the responsibility which college students prove themselves worthy of receiving.

PHI THETA KAPPA—THE HONOR STUDENTS

First Row: Boyer, Flannery, Rothert, Custis, Zuercher, Lanius. Second Row: Bowman, Lease, Yinger, Sherman, Mr. Arnold.

Kappa Pi Chapter of Phi Theta Kappa is a national junior college honor fraternity. The purpose of the society is to promote scholarship, to develop character, and to cultivate fellowship among the students of both sexes of the junior colleges of the United States of America. The emblem of the society is an old-fashioned watch key embodying the Greek letters Phi, Theta, and Kappa.

In order to be eligible to become a member of Phi Theta Kappa, a student must have a cumulative average of 3.5. He must be of good moral character and possess recognized qualities of citizenship as judged by the faculty. No more than ten per cent of the regularly enrolled student body of the college may be elected to this group.

An official initiation ceremony is held once each semester. It is an impressive scene as the officers lead the prospective members in the recitation of the pledge. After an address on a timely subject by a member of the faculty, the former members welcome the newcomers socially.

This year Kappa Pi Chapter has been active in holding a lecture series to promote scholarship within the college and community.

Second Semester Initiation

SIGMA TAU SIGMA—THE HISTORICALLY MINDED

Sigma Tau Sigma is a national honorary organization devoted to the fostering of an interest in social studies while the student is in the early stages of his college education.

This year the members have, along with their capable advisor, Mr. Philip Marshall, taken many field trips to places of both local and national historic interest.

A bus trip to the Smithsonian Institute and surrounding points of interest in Washington, D.C. proved to be most successful and enjoyable.

Another excursion was made to the Gettysburg battlefield in the spring. Many interesting facts, figures, and places of that historic turning point of the Civil War were inspected by the students.

Sigma Tau Sigma has enjoyed a satisfying program and looks forward to expanding its interests in the future.

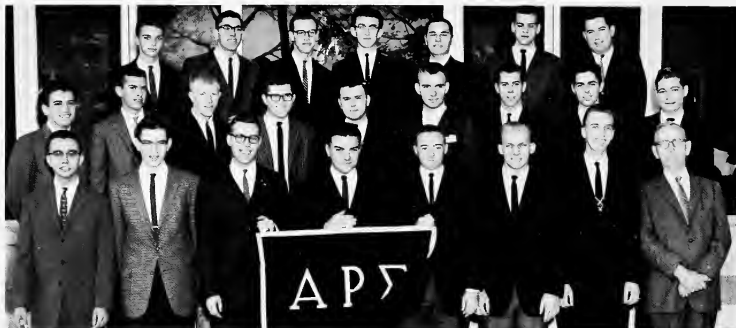

Members study the famous Tannenburg Organ at the York Historical Society.

First Row: Custis, Melbert, Folkenroth, Zuercher, Yingling, Lanius, Mr. Marshall. Second Row: Resser, Sherman, Lease, Geubtner. Third Row: Myers, Yinger, Bertolet.

ALPHA RHO SIGMA—THE ENGINEERS

First Row: Bahn, Worker, Geubtner, Walker, Baker, Kise, Peregoy, Mr. Vergin. *Second Row:* Miliziano, Raab, Luckman, Dunlevy, Reed, Wueschinski, Kinneman, Metzler, Schroeder. *Third Row:* Doll, Winter, Perago, Stabley, Goldstein, Stauffer, Marks.

The members of Alpha Rho Sigma, Engineering Fraternity, under the leadership of Mr. Charles J. Vergin endeavored to make this another blue-ribbon year. The brothers gave unselfishly of their time to build YJC's "Flying Dutchmen" Halloween Parade float. The "Engineers" also sponsored the Thanksgiving Dance, at which they collected canned goods for admission and donated the food to the Salvation Army.

Aside from the service aspect of the fraternity, its chief purpose is to help its members broaden their knowledge in the various fields of engineering. To accomplish this objective, the fraternity conducts field trips to various local industries, invites engineers to speak at its meetings, and shows films which deal with engineering or related topics.

With these purposes always in the foreground, we hope, that in some small way, we will be contributing to the future of engineering and uphold "Engineers . . . the builders of tomorrow."

Delivery of Thanksgiving boxes.

FOOTLIGHTERS—THE ACTORS

Cast of *John Brown's Body*: Jarrell, Forbes, Crist, Stahl, Patterson.

FOOTLIGHTERS

One student organization directly concerned with the arts is the drama group—the Footlighters. Those students interested in theater work are eligible and encouraged to join, although participation in productions is open to non-members. G. Bernard Shaw's *Major Barbara* was read during the first semester, and in early May Jean Anouilh's *Waltz of the Toreadors* will be presented. This is a comedy to be done in arena style.

Group activities were necessarily limited during the first semester because construction on the gym stage was not yet completed. Now the present facilities are being expanded through purchase of extensive lighting equipment and a portable dimmer board. Mrs. Patricia Wismer, the advisor, brings to the eager group wide experience in theater work.

First Row: Flynn, Winemiller, Ickes, Neuman, Flaye. Second Row: Patterson, Schaefer, Burgard, Page, Woltman, Schaefer. Third Row: Kenworthy, Weigel, Herr, Potter, Schneider.

THETA DELTA—THE ALTRUISTIC GROUP

First Row: Grove, Boyer, Custis, Pavlik, Patterson, Markowitz, Grove, Mr. King. Second Row: Seiple, Homsher, Erwin, Smeltzer, Zimmerman, Hartman, Sherman. Third Row: Borman, Long, Abel, Myers, Goldstein, Peel.

Theta Delta is an inter-faith organization dedicated to the promotion of better understanding of all faiths. In keeping with this aim, Theta Delta heard two missionaries from the Mormon church, a Jewish Rabbi, and a Lutheran minister who spoke on the Protestant viewpoint of Christmas. During the second semester, Theta Delta planned to have a Catholic Priest and a Greek Orthodox Priest present their beliefs. In addition, the fellowship will sponsor the annual WUS (World University Service) Week.

The social activities during the first semester were enlivened by a hay ride and a bowling party. The second semester will culminate in a spring picnic for members and guests.

The officers for the first semester were: Ann Custis, president; Richard Myers, vice president; Carol Pavlik, secretary-treasurer; and Kenneth Hartman, Student Council representative. Karl Borman was elected president for the second semester; the others holding their respective positions.

Scheduling WUS Week!

LAMBDA SIGMA CHI—THE COEDS

Lambda Sigma Chi Sorority is a service group of college girls who plan many activities for the benefit of the community. Each year a party is given at Christmas and at Easter for the special education children in York City schools. The members also prepare a Thanksgiving basket to give to a deserving family. These projects require much work on the part of the sorority, but the girls get a warm feeling of satisfaction in return.

The sorority sponsors the Halloween Dance for the entire student body of the college. Also, many of the members act as ushers at college functions.

In addition to working for others, the sorority sponsors activities for its own members. For the last social event of the year the sorority has a mother and daughter tea.

Remember this!

The 1962 officers are: Mary Ann Rothert, president; Judy Kearns, vice president; Kathy Flannery, corresponding secretary; Mary Ann Snyder, recording secretary; Sue Goodling, treasurer; Judy Fishel, chaplain; Melissa Crist, Student Senate representative; and June Sechrist, parliamentarian. The advisor is Mrs. Louise Clapper.

First Row: Mrs. Clapper, Wilson, Joseph, Crist, Flaye, Gladfelter, Yingling, Winemiller, Folkenroth, Huber, Sechrist, Rothert. *Second Row:* Nalbandian, Myers, Patterson, Hendrix, Kraft, Hedrick, Stetler, Strandwitz, Lindon, Field, Laucks. *Third Row:* Wineman, Bingaman, Reiley, Shorb, Woltman, Mussmann, Schaefer, Snyder, Fishel, Kearns. *Fourth Row:* Gilbert, Perinotti, Baublitz, Dierwechter, Harner, Brenner, Fox, Miller, Flannery. *Fifth Row:* Lentz, Melbert, Zuercher, Bishop, Cramer, Burgard, Kadilak, Schaefer, Martin.

PHI DELTA PHI—THE BLUE COATS

First Row: Danner, Hoffman, Freed, Herr, Boyer, Herr, Jarrell, Donovan, Wishard. Second Row: Weigel, Matthews, Urion, Alt, Mills, Sanders, Taylor, Young, Sweitzer, Kenworthy. Third Row: Meiser, Bodman, Steele, Wills, Swarthy, Lichtblau, Dimen, Hess, Bertolet, Smith, Evanson. Fourth Row: Shedlock, Garrett, Hersh, Bond, Hafer, Lemmert, Klutas, Harrison, Hankey, Zinneman, McLaughlin.

PHI DELTA PHI

Because Phi Delta Phi is primarily a social fraternity, it is interested in the promotion of college social events, such as the Winter Carnival and the Christmas Dance.

Under the leadership of President Roger Allison, the fraternity nominated the candidates for the Christmas Queen and conducted the election by the student body.

Phi Delta Phi added an original touch to the Winter Carnival by presenting on campus for the first time an ice sculpture in the form of a huge bear. Twenty-four hundred pounds of ice and thirty-six hours of labor by six fraternity brothers were needed to chisel the bear. The blue illumination enhanced the figure, much to the delight of all the students and faculty attending the Carnival.

Advisor: Ali R. Kavlak

ROYALTY—THE QUEEN AND HER COURT

Seated: Mary Ann Snyder, Felicia Klussman, Sara Stetler. Standing: Mary Ann Rothert, Linda Strandwitz.

YORKER—FUTURE JOURNALISTS

Past and future events, editorials, sports, cartoons, humor—these are found in each issue of *The Yorker*, the bi-monthly newspaper.

The editors-in-chief for the first semester, Barbara Hedrick and Wayne Eaton, had the responsibility of preparing the paper for publication each month. The lay-out editor, Linda Sellers, was responsible for the arrangement of articles in the newspaper and for the headlines. The sports editor, Barry Sherman, coordinated the sports section. The pictures taken by Theodore Goldstein, the newspaper's photographer, and the amusing cartoons drawn by Joseph Myers, the art editor, gave variety and added appeal to the reader of the newspaper. Mr. John Jones is the capable advisor under whose guidance the staff works.

Seated: Mr. Jones, Flaye, Sweitzer, Sherman. *Standing Row:* Allison, Witmer, Crouse, Winemiller, Woltman, Gladfelter, Eaton.

S E A—FUTURE TEACHERS

STUDENT EDUCATION ASSOCIATION

Membership in the York Junior College chapter of the Student Education Association entitles the student to active membership in the Pennsylvania Student Education Association and the National Education Association. Annual dues are collected, most of which are used for subscription to the Pennsylvania Student Education Association journals and bulletins.

The aim of the local chapter is to develop the individual student's interest in the teaching field. It is hoped that this goal is accomplished through group and panel discussions, lectures, visual aids, and by participation in the meetings to broaden their basic concepts of teaching, and to accept new ones. This year the most important social function was the picnic held at the Children's Home. Other activities were: conducting a mixer for student enjoyment, co-sponsoring the World University Service Week dance, and sending representatives to the regional meeting of the Pennsylvania Student Education Association in Harrisburg.

The Student Education Association helps prepare the student to accept the ever increasing demand made of tomorrow's teachers in America.

Advisor: Jerome Casciani

Seated: Markowitz, Sekeres, Flannery, Burns, Abel, Altfeder. Standing: Hartman, Zimmerman, Lentz, Myers.

THE FABULOUS FOUR FRESHMEN

Chairmen: Yinger, Weigel

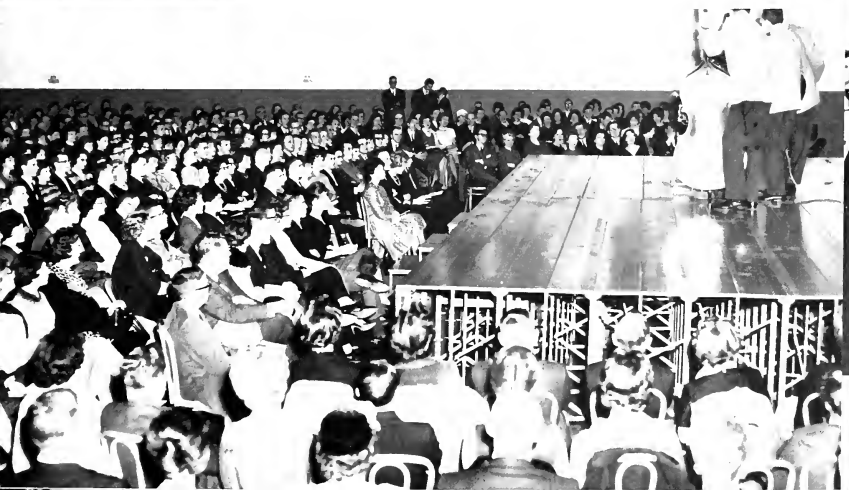

"Ladies and gentlemen, it is my pleasure to present on behalf of the Sophomore class of 1962, the fabulous *Four Freshmen*." With these words, on January 13, 1962, a dream came true. Not the dream of one individual, but the dream of many.

Months of planning and work went into this dream. Contracts had to be signed, tickets had to be printed, posters had to be painted, and above all, \$1,500.00 had to be raised.

On January 13, a crowd of approximately 1000 people was expected to attend the concert of the singing *Four Freshmen*. Quite unexpectedly, over 2,000 people attended the event. Extra chairs were needed, and a chair brigade, much like the old time fire brigade, was put into effect—the patrons passing chairs from the dining hall to the gym in orderly fashion.

Soon everyone was seated, the house lights were dimmed, the first melodious chords resounded, and the realization of a dream come true became reality—the keen enjoyment of the *Four Freshmen*.

GLEE CLUB

Accompanist: Myers. *First Row:* Flannery, Cramer, Gehr, Pavlik, Brenner, Tarbert, Shaeffer, Funk, Strandwitz, Raver. *Second Row:* Miller, Patterson, Sperry, Lentz. *Third Row:* Shaeffer, Burgard, Fishel.

YJC's Glee Club is a choral organization which aims to promote various entertainment and cultural activities on campus, and for the community; and to provide choral education for interested students.

A traveling choir, composed of selected members of the Glee Club, is chosen to participate in activities off campus. This year outside events consisted of taping a television program on WGAL-TV and presenting a Christmas program for the Lions Club at Hotel Yorktowne.

The entire choir presented two Christmas convocations in the college gymnasium—one for the general public and one for the student body.

The greatest achievement of Glee Club was the presentation on March 5-6 of "John Brown's Body" adopted from Stephen Vincent Benet's poem about the Civil War era. This production was given in conjunction with the dramatics department.

Officers included: Patrick J. Sheaffer, president; Richard Zarfes, vice president; Betty Myers, treasurer; Ronald Trego, librarian; and Garland Forbes, Student Senate representative. The director was Ralph C. Woolley.

First Row: Mr. Woolley, Sperry, Logan, Waltemyer, Urey, Gehr, Crist, Wilson, Young, Flemmens, Shaeffer, Page, Flannery, Shaeffer, Miller, accompanist Myers. *Second Row:* Seitz, Patterson, Cramer, Newman, Shearer, Pavlik, Tarbert, Ritter, Free, Fortney, Johnson, Zarfes, Forbes, Strandwitz, Funk, Burgard. *Third Row:* Lentz, Winemiller, Everett, Erwin, Sheaffer, Zinneman, Harrison, Brenner, Fishel, Hodgson, Schneider, Foin, Trego, Sanders, Knudsen, Raver.

THE UNITED STATES AIR FORCE BAND

February first, the students were privileged to hear the famed U.S. Air Force Band, under the direction of Colonel George S. Howard. Also featured in this special convocation was the equally renowned "Singing Sergeants" with Captain Robert L. Landers, director. Students from the junior and senior high schools of York County were part of a large audience in attendance in the new gymnasium.

In the evening, despite a snowstorm, a more formal program was presented for the general public. According to Dr. Miller in his introductory remarks, these two concerts officially dedicated the use of the gym in its dual function, not only as a building for athletic training and events, but also for the presentation of cultural activities on campus.

Dancing

THE BEAR

In Front: Herr, Zinneman, Hafer, Smith. In Back: Grove, Burgard, Allison, Yinger, Weigel.

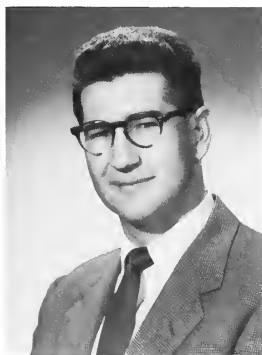

The annual Winter Carnival of York Junior College is one of the main social events on campus. The event opened January 13 with a concert presented by the famous FOUR FRESHMEN in the newly dedicated gymnasium. Ice skating on Lower Campus was scheduled, but Mother Nature didn't co-operate. However, Bill Collins "came through" and

played for the carnival dance which was preceded by a huge bonfire and a college sing. Phi Delta Phi fraternity added its originality to the carnival by constructing a 2400 pound bear ice sculpture. This event, according to many students was the best Winter Carnival that YJC has ever had.

MU ETA KAPPA—THE GAY BOYS

First Row: Fattori, Hilt, Hopkinson, Mr. Culbertson. Second Row: Peel, Brenner, Sherman, Everhart, Fink, Raber. Third Row: Myers, Potter, Smyser, Sanders, Stebbins, Hamme, Yinger.

The Mu Eta Kappa fraternity is a social fraternity. The main purpose of this organization is to promote a better individual, a better organization, and a better community. During the first semester, twenty-seven brothers under the direction of president Zarryl Hilt took part in such activities as the United Fund Drive, the sponsorship of various dances, and intramural sports which included football and bowling.

The second semester some changes were made. A good membership drive brought about a rise in total membership to 41. There was also a new president elected, Ronald Davis.

During this second semester Mu Eta continued services by endeavoring to help YJC students round out their education with extracurricular activities. The brothers took part as a group in such activities as our intramural program, the Mardi Gras, sponsorship of various record hops.

The enthusiasm of this group throughout the year went far in stimulating interest and in promoting both school spirit as well as academic achievement.

1961-62 BASKETBALL

Coach Jaquet

The outstanding York Junior College basketball team member for 1961-1962 is William Plymire or "Bill," who maintained the leading scoring record for the Dutchmen. He made a total of 419 points throughout the season, making 122 field goals and 175

foul throw shots.

As a result of this scoring record, and outstanding floor play, Bill was selected to the All-State Regional XV team. The significance of this honor is a very great one. There are sixteen junior college basketball regions contained in the United States. Region XV alone is composed of 37 teams, one of which is YJC. An applicant for this honor is rated according to his team standings for the entire season, as compared to the season standings of the remaining other 36 teams in the region. Only one member of each of five teams is selected to be a part of the outstanding region team.

Bill's second honor was his election to the All-Star Team at the Region XV N.J.C.A.A. post-season, championship tournament. The members of this team are chosen from the top eight yearly play-off teams of the Region XV junior colleges.

REGION 15 N.J.C.A.A. TOURNAMENT

Because of 20 wins and 3 losses against competition recognized by the N.J.C.A.A., YJC's Flying Dutchmen were invited to compete in the Region XV post-season championship tournament held at Orange Community College in Middletown, New York, on March first. YJC drew the host school for the first round.

The Yorkers played one of their better floor games of the year against the exceptionally tall Orange Community College squad. But Orange eliminated York from championship competition 81-60.

York's second game was against Dutchess Community College of Poughkeepsie, New York. Again, because of a very definite height disadvantage, the Yorkers were defeated 79-74.

LEAGUE GAMES

Temple C. C.—December 2, 1961

On December 2, 1961, Coach Jaquet's Flying Dutchmen made their first league competition debut in a game with Temple Community College in Philadelphia. Victorious over Temple with a 74-54 score, YJC played outstanding ball throughout the game. The win was achieved by a minimum of effort with the Dutchmen taking an early lead and maintaining it during the entire game. York's Bill Plymire was high scorer with 17 points. York made 18 of 32 foul shots, while Temple completed 12 of 19.

Temple C. C.—December 16, 1961

The Dutchmen, upon winning this game, took their second straight league victory. With a 97-59 score, York slammed into the thick of the game with skill and thrust, proving too much for the opponents. Few fouls were committed by both teams, and the game remained very sportsmen-like throughout. Coach Jaquet was very happy with the outcome, and stressed very strongly that more victories were to come.

Hershey J. C.—January 12, 1962

On this day, York pushed forward to their third league victory by defeating Hershey Junior College by a score of 76-55. This game was a somewhat rough and tumble affair with a goodly number of fouls being committed. Keesey, Plymire, and Sutton were York's high scorers. Many outside shots were made during the game, while YJC edged upward to take the lead. Both teams seemed in fine shape, but the York crew outwitted and outguessed their opponent quite tactfully.

DuBois—January 26, 1962

The Flying Dutchmen gained a fourth victory by defeating DuBois Extension Center 109 to 55 on York's floor. Again York held a lead throughout the game, leaving little or no choice for the DuBois players to fight back. Paul Harmon was high scorer for York with 18 points, while DuBois' high pointer was Gaffey with 26. In this game all of the York players saw action.

Johnstown—February 2, 1962

"Johnstown Routs YJC 109-74"—This was the headline in a local York paper, preceding the fifth York league game. The splendid shooting of the Johnstown quintet proved too rough for the York team. Johnstown ran up a huge lead in the first half, resulting in the loss, by fouls, of players on both sides. York's Bill Plymire and John Ferree had high scores of 29 and 10 points respectively. This was a hard-fought game for both teams.

Keystone—February 9, 1962

The Flying Dutchmen defeated Keystone J. C. at LaPlume, Pa., 72-64. This win put the York league record at 5-1. Coach Jaquet said that the win at LaPlume was easier than expected, but he claimed that the Dutchmen played well. York maintained a lead throughout the game with Teddy Holmes, a new player gaining 26 points and becoming the high scorer for York. Tom Keesey was next in line for York with 20 points. York showed outstanding strength even to the last minute of play.

Johnstown—February 10, 1962

A 6-1 league record was piled up as York Junior College Dutchmen defeated the Johnstown Panther Cubs 64-62 on the home court. J. C. was hard-pressed all during the game but proved a bit too much for the opposing team. Both teams fought neck and neck diligently until the final buzzer proved York victorious. York's high men were Plymire, Markle, Harmon, Keesey, and Holmes with double digit scores. The game was tied six times with the lead changing hands 16 times.

Hershey—February 14, 1962

On February 14, 1962, the Hershey Leopards were nailed to the wall by the Dutchmen in a spine-tingling 62-55 victory. Rough defense prevailed, but J. C. never lost the lead. Hershey's efforts to catch the Yorkers were hampered by the loss of several players on fouls. York's Teddy Holmes piled up a total of 14 points with Bill Plymire gaining 26 as high scorer. Coach Jaquet was extremely proud of his fighting team and expressed great confidence in them.

Keystone—February 16, 1962

The last league game of York was played with Keystone J. C. The Dutchmen defeated Keystone 81 to 75 on the York court. The York team showed splendid stamina and strength, thus proving victorious. This game was the last league game of York, and the Dutchmen at this time had gained an 8-1 record. In the immediate future the 1962 J. C. basketball team planned to enter the P.J.C.A.A. tournament.

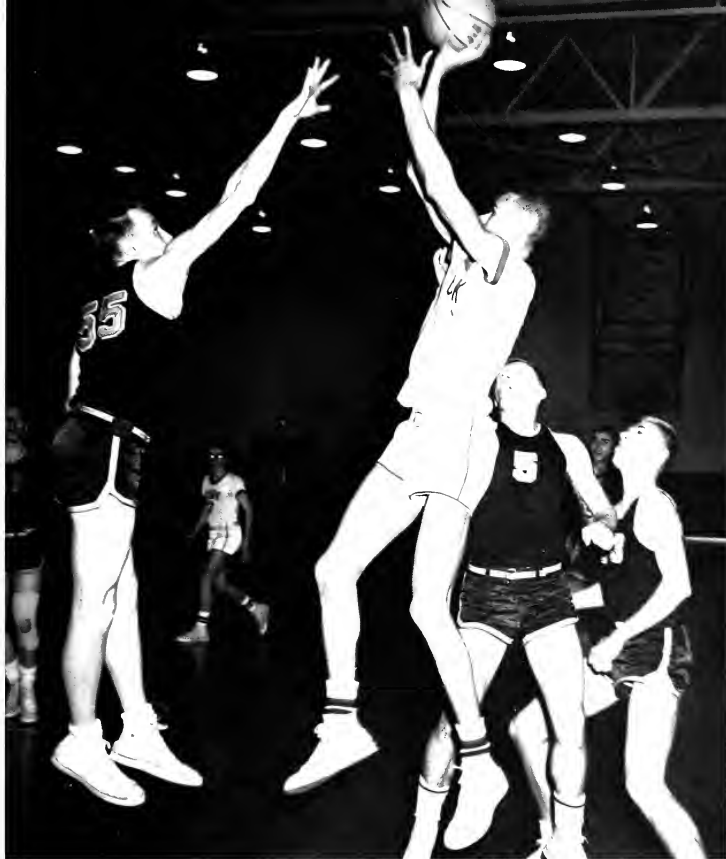

Markle attempts a lay-up shot

P.J.A.A.

Altoona—February 23, 1962

The Dutchmen polished off Altoona by a score of 86-69 as the first game of the Pa. State Junior College Basketball Tournament got underway. Plymire, Keesey and Holmes were high scoring and defensive men for York. As the Altoona team tired, J. C. moved in to take a permanent lead the third quarter.

Holmes attempts a jump shot

Hershey J. C.—February 24, 1962

The day following the victory over Altoona, the Dutchmen met with defeat at the hands of the Hershey boys during the second game of the P.J.C.A.A. Basketball Tourney. The final score of 85-75 ended the clashing, grueling, neck-and-neck competition which prevailed throughout the game.

TOURNAMENT

FIRST YEAR FOR WRESTLING

Coach Casciani

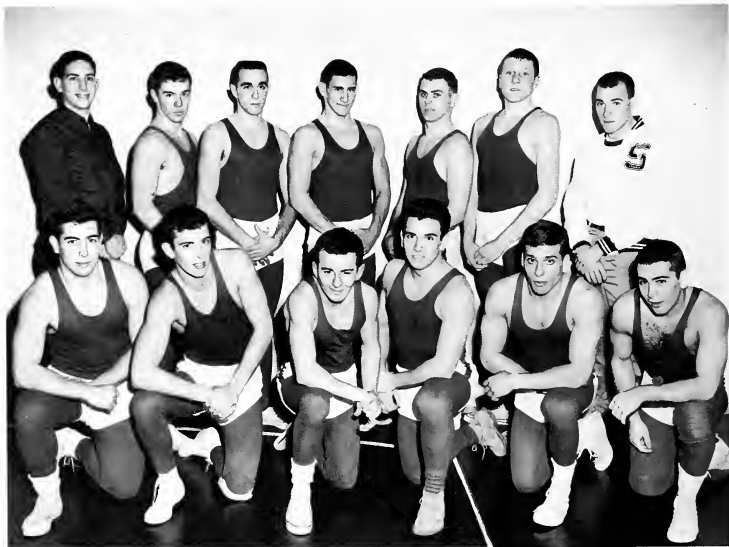

Coach Casciani

The physical education department this year welcomed coach Jerome Casciani. His undergraduate years were spent at Springfield College in Springfield, Mass., where he majored in physical education and minored in health and psychology. While there, he participated in intercollegiate athletics—wrestling, football, and baseball.

Post-graduate studies for a M.Ed. include a major in physical education and a minor in psychology at Penn State. Service requirements were fulfilled by six months' active duty with the Army, and present membership in the National Guard.

Mr. Casciani teaches microbiology, anatomy, and physiology classes at York Hospital.

Left to right: Front Row—Fattori, Raab, Hoffer, Miliziano, Lecrone, Levy; Second Row—Rostalski-manager, Fortney, Stough, Brown, Warren, Klutas, Casciani-coach.

During the first part of the season, the team utilized facilities made available by the York Y.M.C.A. Before moving into the new York Junior College Gymnasium, they had their first scrimmage with the York Y.M.C.A. wrestling team. Later, scrimmages were held with the Franklin and Marshall College team and again with the York Y.M.C.A. boys.

Finally, the team had formal meets with junior varsity teams from Millersville and Shippensburg State Teachers' Colleges. Although the state schools were easy victors as teams, a number of York Junior College wrestlers exhibited excellent skills and potential.

The climax of the season was the Region XV Junior College Wrestling Tournament held in Suffern, New York. All of the wrestlers showed vast improvement in the tournament and, although York failed to place as a team, four of our athletes won individual places. Bob Brown won fourth place in the 157 pound class, while Mike Hoffer, Larry Raab, and Bob Klutas won third places in the 123, 137 and 191 pound classes respectively.

Fine performances by Ed Long in the 130 pound class, Frank Lechrone in the 147 pound class, and Bill Stough in the 167 pound class were also noted. Frank missed a third place by a disappointing forfeit, while Bill, wrestling two weight classes above his regular class, almost gained an upset in the 167 pound class.

Graduating first string sophomores are Herb Levy, Ric Fattori, Lynn Warren and Frank Lechrone.

Special credit goes to Ric Fattori, Gerry Lipke, John Miliziano and Bob Klutas who exhibited some skillful performances despite the fact that this was their first season of wrestling.

Klutas: "Quit choking me!"

Levy: Tickles his opponent!

Lechrone: Sneaking up from behind!

INTRAMURAL FOOTBALL

One of the first intramural sports formed at York Junior College in 1960 is touch football. One hundred and fifty students participated in the sport this fall. These students formed ten teams, fifteen men per team, acting as substitutes and players.

The program was under the leadership of Coach Jack Jaquet and Jerome Casciani of the physical education department, who serve as referees for the games.

The Rover Boys, who had an undefeated season, were the champions of the league, and the Road-runners ended the season in second place.

INTRAMURAL BASKETBALL

INTRAMURAL BASKETBALL

Basketball is the newest intramural sport that has been introduced in YJC's intramural program. The sport offers fun for everyone regardless of athletic ability. Ten teams are participating in this sport consisting of approximately 100 male students.

At the deadline of the yearbook, only one-fourth of the season was over. The All-Americans are setting the pace with a 5-0 record. Bill March of the Chargers and Dick Dreas of the Picks-Ups are the single high game scorers with 42 and 34 points respectively. Bill March and William Martindale are the total high scorers with 113 and 68 points.

INTRAMURAL BOWLING

Intramural bowling is the second largest intramural sport in the college. The National Men's Bowling Rules were in effect for all participants. Handicaps were figured on the basis of three-fourths of the difference between the team's average and 175. Approximately 120 boys divided into twelve teams participated in the sport.

The five top men with a 200 game or better are: Douglas Wolfgang 233; Donald Donovan 233; Jack Wallick 223; Mel Parker 216; and Richard Zarfos 214.

The winning team was the Toppers with a record of 33-11, and the Bombers took second place with a 32-12 record.

Jack Wallick was high individual scorer with a 585 scratch series, and Mel Parker was second with a scratch series of 558.

The season extended from November 14, 1961, to March 13, 1962.

Trampoline Class

ATHLETICS

Physical Education activities received more emphasis this year than ever before. Students were encouraged to elect one team sport, an individual sport and a co-educational activity. For the men, touch football, wrestling, soccer, volleyball, softball, basketball, archery, aquatics, and gymnastics were available. For the women, hockey, volleyball, modern dance, archery, aquatics, and gymnastics were taught by Mrs. Poet.

Since the new gymnasium is spacious and well equipped, many athletic activities can be enjoyed by all students who want physical exercise in the gym. For those who like the out-of-doors, sports are planned for spring and fall, on the campus.

Archery

Golf

1961-62 BASEBALL

First Row: Coach Jaquet, Coach Basil, Dickert, Butts, Nace, Carpenter, Bair, Schiding. Second Row: Fitzkee, Lawrence, Adams, Moore, Seebold, Stroud, Smith, Spangler.

The 1961 Baseball Record

YJC	Opponent	
14	Keystone Jr. C.	2
15	Keystone Jr. C.	4
9	Baltimore Jr. C.	2
5	Hagerstown Jr. C.	9
4	Trenton Jr. C.	11
6	Trenton Jr. C.	2
3	Trenton Jr. C.	6
8	Trenton Jr. C.	15
1	Montgomery Jr. C.	3
2	Montgomery Jr. C.	5
2	Gettysburg Frosh	3
1	Baltimore Jr. C.	3
3	Hagerstown Jr. C.	18

PROSPECTS FOR 1962

Coach Jaquet on March 15, 1962, called a meeting in the gymnasium for all male students interested in becoming members of the 1962 Baseball Team. The only returning letterman is Jim Nace.

As the season draws near, the J.C. squad will have its workouts at York Memorial Stadium. Among the promising prospects for the '62 team, with past experience, are—Glen Wise, Tom Keesey and Tom Kirby. The members of the team hope to better the +9 record of last year.

Concerning the 1961-62 team, Jim Moore was selected for the third team of the Junior College All-American Squad as a shortstop. Jim Stroud was named to "York Hall of Fame" by pitching a no hit game at Baltimore Junior College.

1962 CHEERLEADERS

Left to right: First Row—Freed, Klussman. Second Row—Hatfield, Weightman. Third Row—Warren, Schaefer. Fourth Row—Hirschfield, Weaver.

CHEERLEADERS

"Victory, victory is our cry, V-I-C-T-O-R-Y!" This is the familiar sound heard at all of the J. C. basketball games. School spirit and loyalty are attributes which best describe YJC's group of attractive cheerleaders. Their spirit is contagious, and anyone who watches them perform cannot help feeling that the cheerleaders are an essential part of the sports program. Clad in the familiar green and white, this lively group of college women, trained by Mrs. Poet, transmit a feeling of confidence to the team and to the audience.

1962 HORIZON STAFF

Our yearbook has a new name this year. Under the able editorship of Richard Gates and Barry Sherman, the yearbook staff has tried to produce the best annual ever in the history of the college. We hope that we have achieved our goal.

One of the best features this year was the establishment of a permanent publications' office in the gymnasium 12A. This office was a busy center of activity for all members of the staff during those hectic days before publication.

Much time and work are involved in any worthwhile enterprise and this one was no exception. The product of our labor is before you. The 1962 Horizon is dedicated to—the students, faculty, and YJC friends, without whose cooperation it would not have been possible.
